

REGISTER FOR KEEP IT CLEAN'S 2021 PRODUCT ADVISORY WEBINAR TODAY!

Join Keep it Clean and the Canada Grains Council for a valuable webinar offering timely information from expert sources and help uphold the world-class reputation of Canadian canola, cereals and pulse crops.

As an export-driven industry, the success of Canadian agriculture depends on steady and predictable access to major international markets and crop protection product application decisions are an important part of that.

In this webinar you will learn about crop protection products that may create market risk in 2021 and how your crop protection decisions can support market access for all. You will also learn more about how the Canada Grains Council determines markets of interest, pesticides of interest and how it categorizes crop protection products.

DATE: THURSDAY APRIL 29, 2021

TIME: 11 – 11:45 A.M. CDT (10 A.M. CST & MDT)

HEAR FROM THE FOLLOWING SPEAKERS:

- Gord Kurbis, Vice President, Trade Policy – Crop Protection at Canada Grains Council
- Greg Bartley, Director, Crop Protection & Crop Quality at Pulse Canada
- Victoria Linden, Direction of Research at Cereals Canada
- Ian Epp, Agronomy Specialist at the Canola Council of Canada
